Girls Football and Movie Club

If you would like your child to join any of the after-school clubs, please use Arbor or the below form and return to school by Thursday 17th September. Spaces are limited and you will be notified on Friday if your child has a space. If your child does not receive a space this half term they will be prioritised next term. Once a child receives their space, we expect them to participate every week.

To attend our clubs we require the signed copy of the Aspire Code of Conduct form attached. Clubs cannot be booked unless we receive this signed copy. Please ensure you read this with your child and the expectations for attending. Once this is completed the quickest way to book the clubs is via Arbor. You can also email the school office (office@aspire.lseat.org.uk) or hand in this form and tick the desired club.

Aspire After-School Clubs Agreement

Aspire's after-school clubs are run voluntarily by staff in their own time. Thanks to their commitment, we are able to offer these clubs free of charge to our pupils.

Our clubs are designed to help children develop new skills and interests, build confidence, and most importantly, have fun. To ensure that everyone enjoys and benefits from the experience, please only sign your child up for a club if they are happy and willing to take part.

Unfortunately, last year there were occasions where some children chose not to participate, which affected the enjoyment and learning opportunities of others. Our clubs are carefully planned and structured, with staffing arranged according to the number of children attending. We do not have additional staff available to support children who choose not to engage in the activities.

To help clubs run successfully, we ask all pupils to follow the expectations below. Any incidents of disruptive behaviour may result in a one-week suspension from the club. Continued disruption may lead to a child being withdrawn from the club permanently.

Please discuss these expectations with your child and sign the agreement together.

I agree that:

- I will take part in the planned activities of my chosen club.
- I will listen carefully and follow instructions throughout the session.
- If I am finding an activity difficult, I will ask a member of staff for help.
- I will be kind, respectful and considerate towards other children and adults in the club.
- I understand that if I do not follow club expectations, I may no longer be able to attend.
- I will do my best to enjoy myself and have fun!

Aspire Expectations to attend After school Club

We want all children to have the opportunity to enjoy and participate in our After School Clubs. However, attendance at these clubs is dependent on children meeting the expectations set for them during the school day.

If a child is presenting in an unsafe manner during the school day, their class teacher will make the decision as to whether they are able to attend their after-school club. Should a child be unable to attend, parents/carers will be informed by telephone no later than 2.00pm, allowing sufficient time to make alternative collection arrangements or notify transport providers.

Children in Years 5 and 6 are fully aware that, to attend Football Training, they are expected to achieve their green letters on Monday, Tuesday and Wednesday.

As there is significant demand for places in our After School Clubs, attendance serves as a positive incentive for children to make safe and appropriate choices throughout the school day.
