

To celebrate the end of Children's Mental Health Week in school we are encouraging staff and children to come to school on Friday 10th February wearing clothes that express who they are or how they feel!

They could dress up as something they would like to be, wear their favourite colour or wear something to express how they feel! (It just needs to be safe and suitable for a day in school!!)

We would like to be able to make a donation to Place2Be as they are a charity that works with schools to support children's mental health. If you would like to contribute £1 please send the money in on Friday!

Thank You
Mrs Arkwright
