

Dear Parents / Carers

**Exciting Opportunity for FREE DJ lessons**

We have been aware of this exciting new opportunity that may be offered to schools in our Trust next year in conjunction with Bexley Music and Noise Academy for FREE DJ lessons for pupils.

Noise Academy provides Level 1, 2 and 3 DJ courses that partner with AQA Arts Award Qualifications. This is a fantastic opportunity for students to understand basic to advanced DJ skills to gain confidence in becoming potential professional DJs!

The lessons would initially begin with a 6 week trial in school for pupils in the Autumn Term 2023.

There would then be an opportunity for pupils to access FREE lessons during the Spring and Summer Term. These would take place after school or on Saturdays at Belmont Academy in Bexley.

There would need to be a commitment from parents/carers to take the pupil to their lesson each week. There may be an opportunity to provide help with transport.

If this is an opportunity you are interested in for your child we are asking parents/carers to fully complete and return the attached form by Wednesday 22nd March. There is no commitment at this stage.
