Holidays and Food Programme (HAF)

The London Borough of Bexley is delivering the Holiday Activities and Food (HAF) programme which is being funded by the Department for Education.

The HAF programme provides a variety of fun activities, including sports, food making activities, arts and crafts and other exciting opportunities to learn and develop skills. It's for school aged children and young people from Reception to Year 11, and runs during the easter, summer and winter school holidays.

Places are funded for those who receive benefits-related Free School Meals (FSM) and attend a school in Bexley. Children and young people also receive a free balanced meal as part of their day.

Benefits-related FSM are available to children and young people if their parents are in receipt of one of the qualifying benefits. Please note that they are different from universal infant free school meals, which provide free meals to all pupils in reception, year 1, and year 2.

All HAF programmes have been validated by us, so will earn your child/ren stamps for their passports. Simply email Louise (Bexley.CU@Bexley.gov.uk) with the name of the club your child attended, along with the days and times.

For more information about this scheme, please visit:

Between Monday 3 and Friday 14 April, Bexley's Easter HAF Programme will offer children and young people lots of exciting ways for keeping active, being creative and trying something new during the easter holidays. The programme will include a variety of fun activities, including sports, food making activities, arts and crafts, and other exciting opportunities to learn and develop new skills, alongside a nutritious meal each day.

Places are funded for those who receive benefits-related Free School Meals (FSM) and attend a school in Bexley. Paid for places are also available for those not eligible for the funded places.

If you would like the information in this document in a different format, please call 020 8503 7777 and ask for Communications/Graphics. The reference to quote is: 607876/3.23

To access any of the free holiday club places as part of the Bexley HAF Programme, eligible children and young people will also need to live in Bexley or attend a Bexley school. All our neighbouring boroughs are offering similar HAF Programmes, so those that live and attend a school outside of Bexley should contact their local authority for further details of their HAF Programmes.

A number of paid for places are also available for those not eligible for the free places.
