

9th September 2022

Dear Parents/Carers

Your child will be swimming this term on a Wednesday afternoon at Crook Log Swimming Pool, starting next week.

All pupils are assessed in the first session and then grouped according to their swimming ability. Pupils will be using both the small pool and the main pool depending on their ability. Pupils are all taught by qualified swimming teachers.

Pupils will be taken to the pool by school staff and will return to school by the end of the day for usual collection by parents or taxis.

Please ensure your child brings a swimming kit to school each Wednesday so they can participate. Pupils will be expected to get dressed, dried and undressed by themselves so it would be a good idea for pupils to practise this at home during the next week.

All pupils are encouraged to wear swimming hats to be able to take part in lessons. The hats will be provided for them. Pupils are allowed to wear goggles if they choose to.

Girls swimming costumes must be one piece (not bikinis) and swimming trunks above the knee. They may wear rash vests or fitted t-shirts if they wish to.

The permission form must be returned before your child is able to participate.

Please speak to your child's teacher about any concerns or worries they or you may have.

Yours sincerely

Mrs Hopkins (Co-HeadTeacher)

I give permission for my child _____ to attend school swimming lessons on a Wednesday afternoon for the Autumn 2022 and will provide them with a swimming kit each week.

I give permission for _____ to wear swimming goggles.
